“ *I grew up in the same neighborhood as Ms. Patty, and she was always kind to me in my family. She was always greeted me with a smiling face every day and with ice cream on a hot day. She was a joy and blessing to have around, and seeing her everyday changed even my worst days around. When my family and I hit some hardships two years ago she provided us with comfort and support regardless of what she was personally going through. Her and her family will continue to be in my prayers and heart.*

“ *Pat always made me feel welcome and sought me out as a dance partner. She was able to tone down her husband Steve's more acerbic remarks. Pat and her sister Dee were a great team to have on your side.*

“ *My beautiful Aunt, I miss you with all my heart. You touched so many lives and because of your kindness you left others feeling loved. You are a blessing. So many will miss you, from the cart collectors at Giant Food to the dancing partners @ Harris Pavilion, Pen Mar and the Winchester Moose Lodge. You were my caretaker, my fun maker, my best friend and my mentor, You were a star in the night and the light in any room. God blessed me when he gave me you. I will see you on the other side my friend.*
