“ Mom it'll be one year tomorrow and not a day goes by that I don't think of you. I feel like I can still feel your presence here with me and a part of me knows your always watching down on us. We miss you more with each passing day. I know the lord is taking care of you now and that you are no longer in pain. May you continue to rest in peace my sweet angel. I love you with all my heart and soul. When you left a piece of me went with you and I look forward to the day we meet again.
