“ I have friends that never got to know their relatives at all and I feel sorry for them. I am glad that we were lucky enough to grow up in the same neighborhood as kids, I know we all have really good memories of our childhood. I have great memories of all of my Aunts, Uncles, and cousins. Its just a shame that we all had to go our separate ways and lose touch with each other. That doesn't mean that we lose our love for one another. I have really good memories of Aunt Pat. She always seemed to be very happy and full of life. She had a great sense of humor and a very memorable laugh. Good people leave good memories behind. I am very proud of our whole family.... To all of my Aunts and Uncles, Aunt Pat and Uncle Bill, you all did a great job of raising your kids. I know that we will carry on that tradition. Love You All ! Bob Gates

“ Pat was an amazing Pink Lady and an awesome Auxilian for Novant Health Prince William Medical Center. She stood by Registration and was the 1st impression many of our community members would have of our hospital as a Main Lobby Information Desk Greeter. Pat's love for others, her compassion, her charm and laughter will remain in many hearts forever. We all loved Pat!
