“ *Patty was a wonderful neighbor and an ever happy person who never let life get her down.*

I've made a donation to DeShong's Giftback in Patty's name. They were the ones that coordinated the many repairs to her house over the last few months so that she could spend her final months with heat and in comfort.

“ *Loving memories of Patty and the care and love she showed her animals and mine. Will always remember her helping me cut the nails of my new black shepherd pup Tika in Sterling. How she would pop into her mom's house with dogs trailing with the biggest smile and love. Rest in Peace Patty. We will miss you.*
