“ My gorgeous Aunt Pat (altho our ages were so close, I called her "Cousin Pat", which she loved!) taught me the true meaning of Christian unconditional love. We differed in opinions on a few things, but NONE of them were ever a barrier. She welcomed my partner into the family with such love and caring...and made sure that we all felt as welcome as if we were her children.

She will always be in my heart, and is my inspiration to become a better person. I love you Cousin Pat, and will forever.

ps...Cousin, you and Uncle Jerry made some gorgeous daughters, who in turn married good men, and together created some of the most beautiful, caring, respectful and charming children.

I will never forget her grace and love.

“ There really aren't adequate words to describe how my mom and I are feeling right now. Though we only knew Pat for a short time, she made an amazing impact on our lives through her retreats and the ability to bring so many people together for amazing experiences. She was truly one of the special people that God sends to this Earth to make your life a little brighter. She will be missed tremendously in our little corner of the world. Deepest sympathy to her family. WE MISS YOU PAT!

“ Dearest Jerry, Heather, Michelle, and children

You made us so much a part of your family and Pat was a sister I never had. When we stayed at your house it was like coming home and breakfast was a real treat watching both Jerry and Pat in the kitchen.

I will always remember so many wonderful attributes Pat had along with the scramble after a family reunion to get all the pictures everyone took collected to CD's on the last night. It was always a very late night with much laughter and "Oh Darn!"

May God hold her safe in his arms till you see her again and may the memories you have help you through this time of sorrow.

You have a wonderful family. Keep close and laugh often as Pat would have wanted. She will always be in our hearts and memory.

We love you all and morn with you.

“ In the 4 1/2 years that I have known Pat she became one of my dearest friends. She opened my world to creative memories and found that I had a passion for preserving the past. We enjoyed the fact that we had the same birth date and now my birthdays will never be the same without her in my world. There would be times when it would be just the two of us, our photos and a glass of wine, with lots of talk on solving our everyday issues. She was a great listener and a friend that I will never ever forget. Pat will live on in my heart as I know she will live on in every heart that she touched. I count myself as one of the lucky ones to be included as one of her friends. Debbie Daugherty
