“ *Momma,*

*You are my world, my everything, I am who I have become because of who you made me to be, without you I am nothing and I am a better man due to your love, wisdom and guidance. You are my role model and Hero, by your faith and strength I have come to achieve the better things in life that only you and God could foresee. I Love You from the bottom of my heart and can never repay what you have instilled in me but through my life I can carry on your legacy.*
