“ To my sweet, dear grand mom. You were one of a kind and I will cherish all of the memories of our many trips, family gatherings and just hanging by the pool. We had so many laughs and fun times. I could always rely on getting a sugar high when I came to your house and always having pickles for me (you knew those were my favorite). I love you so much, rest easy beautiful.

Melissa - September 24, 2018 at 10:58 AM

...and we only buy that pickle brand to this day.

“ I have so many memories of you that it wouldn't even fit on here. I loved walking to your house after my basketball practices and having our one on one time. You always had candy or ice cream waiting for me when I walked through your door. I will miss your funny sense of humor. You were always making people laugh. Your smile always lit up a room. Please take care of Mom, Eddie, Grandad, and most of all watch over my dad. Give him the strength to fight to get stronger. I love you grandma!

“ I'll miss you very much. You taught me many things that will always help me in my life. We had alot of good times together at your house, the beach, Disney... My favorite memories of you will always be decorating the RV together. And mostly the crazy tricks we played on your family, and the big laughs we would after they discovered what we did. I will always miss you, but knowing your with Bob helps turn sadness to a smile. All my love, hugs, and prayers. Love Tracy

And I will always cherish the great memories from all the wonderful times we had together. It helps a little knowing you're with Daddy & Eddie, and family and friends, but my heart is still broken.
