“ *Tim and family,
I am so sorry for your loss. I really enjoyed getting to know your mom. she was such a wonderful person. Welcomed me into her house all the time I came to visit. I don't think she knew a stranger. We would exercises, walk and did our fair share of talking about the good ol' days. I will truly miss her. RIP My friend.*

I have known Pat since school way back when in Fairfax. Have run in to each other over the years & most recent in Manassas Park. We both lived close to each other so saw each other a lot & Our sons played softball & went to school together & became friends. Also later in years her son married into my husbands side of family! We stayed connected & her & her husband would stop by our yardsales & see each other in grocery stores. I do send my heartfelt love & prayers to all the family. I will miss her much 😞 my heart goes out to you all for your loss. Hugs to all. Pat & her husband & kids were there for me & my family when my huband died in 2008. Love to all
