“ I was saddened to learn of the passing of Patricia Speakes with whom I worked in the Prince William County school system for many years. Many of us who were her colleagues remember Pat fondly for a beauty of character that endeared her to all who knew her. She will be greatly missed.

Within the school system she held a position of great importance throughout her career as Secretary and Executive Assistant to the Division Superintendent of Schools. Although superintendents would come and go, Pat remained to assist each new Chief Executive with the transition and to help the School Board maintain stability and progress as the school system grew to become the second largest in Virginia.

Pat was a model employee and set an example for all to follow with her outstanding professional skills, her extensive knowledge of the organization, her sound judgment, and her rare intelligence. She was truly the linchpin that enabled the school system to cope with a period of dynamic growth and expansion.

The parents and citizens of Prince William County were fortunate to have had the services and dedication of this exemplary public servant. During her lifetime, she made a lasting and positive impact on all of us who were fortunate to have worked with her, and Pat will live on in our memories with fondness and admiration.

With deepest sympathy.

“ *During my tenure with Prince William County Schools, I had to privilege of working with Pat Speakes. Part of that time Pat served as my secretary while I was Interim Superintendent. Her knowledge, wisdom, and experience were most valuable as we faced many challenges. Her professionalism and loyalty were impeccable on a daily basis. Pat was an outstanding colleague, always willing to assist others, and wanting the school system be the best. Thanks for your outstanding service and most of all being a friend and colleague.*

“ When I first moved to Virginia and started attending Centreville Assembly of God Pat was the youth leader. As a young person in a new church she made me feel welcome and a part of the group. I will never forget the lovely Christian lady she was! Praying for the family during this difficult time! Judy Whorton

“ Pat was the very first person I met upon being hired from Kerrydale Elementary to the Superintendent's Offices. I was so scared and made so many mistakes. But Pat was always there to help. She had a great history already with PWCPs. Her advice was always spot on. Later, as the President of our Investment club she was the top notch stock follower and could make stock research a snap. I will remember all of those ideas, thoughts and wisdom from her. I know that Pat will be looking at us and giving us all of her advice.

“ *Pat was the first person I met in 1962 when I began my employment with Prince William County Schools; she and I worked together there for many years where she served as secretary to the Superintendent of Schools. After her retirement we continued to work together in an investment club she helped found and lead for a number of years. Pat had an unshakable faith; she loved the Lord and she loved her family deeply. She was a dear friend and I will miss her greatly but I look forward to a grand reunion one day.*
