“ *Whenever I was in FCA headquarters, one thing I could count on was Patty's smile and positive attitude. I was both happy for Patty and sad for us when she decided to retire. She was sometimes the bright light to an otherwise trying day. Sincerest sympathies to her family and all who mourn her passing.*

“ My thoughts and prayers are with Debbi, Jenny & Uncle Bill as well as all the friends during this time of loss with Patti. We kept in touch with each other & would talk & talk & talk about what each had been up to lately and her local travel adventures that she was happy to be a part of through her Church & Senior Center. We'd talk about the movies & lunches that she & Joe had before the reminiscing about our Mom's & family... with the funny laughter that I'll no longer hear from you, I have a heavy heart with tears knowing that your watching over each of those that you hold dear to you. May God Bless you Patti , love your cousin Terry Hanson & family <3

“ *This is Audrey Franklin. I met Patty while traveling on the Omni Ride commuter bus. We just started talking to each other. Then when I told her I was retiring on May 31, 2014 she asked me for my phone number but I did not get hers. She said she was retiring in August 2014. I did not hear from her until September 2014. I was glad to hear her voice. We became fast friends. I told her that I loved her very much. She put life in my life by taking me to the senior center, going out to eat, and going to the pool; just a few of the many things that we did together. She met my son. He took it hard to hear of her death as did i.*
