“ I am so very sorry for your loss. I've only known Patricia (and Gary) for about 10 years, but Patricia was one of the nicest, kind, caring, and friendly people that I know. Always had a smile on her face, and spoke from the heart. Too young to be taken, but is in a better place now. She will be missed greatly! 😊

“ Patricia was one of the nicest people I know and she will be sorely missed by all who knew her. She was always willing to help you even if she was very busy herself. She was quick to laugh and fond of saying "it is what it is" then pressing forward with whatever difficult task she faced. To her family who will miss her most of all I offer my deepest condolences. You are all in my prayers. To Patricia go with God I know there is a special place in heaven reserved for kind people like you.

“ *I have had the pleasure of knowing this beautiful soul for over 30 years. We shared so many of our most memorable occasions together, side by side.*

Right now, my heart is breaking as I do not know how I am going to go on without my bestfriend. It's always nice we were only a phone call away.

Rest in Peace my friend. I know you are not suffering anymore. Rejoice in the presence of the Lord. Please give hugs and kisses to Mom, Dad, Charlene, and Christina.

I love you!
