“ I enjoyed working with Patrick for a short time. He brought joy and love to the office that is truly needed. When he left i told him he would be missed. I used to see him walk in the neighborhood and he would chat with my daughter in law when she walked her big newfoundland dog. I am glad I got to be friends with Patrick. He will be missed he was a great person. Love and prayers to his family.

“ I have been fortunate to have gotten to know Patrick through a number of church ministries over many years. His passing was certainly a shock to all who knew him. Upon reflecting in the ways I've known him, it is clear he was a man of faith. He had a great desire to learn more about the faith and church teaching. He asked soo many thoughtful questions. He certainly tried to live out his faith through his kindness, self sacrifice and service to many groups. His sense of humor and laugh is notable, as was his pleasure in eating food. He is a great man who loved his God, his family and his community. It is my great pleasure to have gotten to know him.

“ I spoke to Patrick 3 days before he died in the House of Mercy with my Legion of Mary brother Chris, who also volunteers there. That day People a trick was upbeat and happy and spoke about Pope Benedict, it was a shock when I heard he had passed on Saturday from my LOM brother Chris. Listening to him speak I sensed his faithfulness to his faith and his humility. His kids Abby and Jacob attended the Jr Legion of Mary at Seton with our kids Rachel and John. Our son John is getting married and had invited him to the wedding in May and he was excited to go, he will be watching from heaven. May his soul and the souls of the faithful departed through the mercy of God rest in peace. Amen. His funeral mass at All saints with Father Lee and the prayer service by Father Dan and The Knight of Columbus ceremony at the funeral home were beautiful. Praying that his family receive strength and consolation in these difficult times. Amen.

“ I have known Patrick since he was born. His mother Joan and I were very close friends. I watched Patrick grow into a wonderful man who loved his family with every breath. Patrick would visit me when he was in our area and he would call a few times a year, just to see how I was doing and find out how our church was doing. I will miss his smile and his caring personality. He is now with his brother Freddy and his Mother, who I miss so much. Rest in peace dear friend until we meet again.
