“ *My name is Alisha Reed and I work at the Credit Union where Patrick visited often for many years. I had the pleasure of working with Patrick personally for the past 13 years and recently his precious wife Diane. Patrick was a gentle and kind man who loved his family and cherished his friends. He will be missed by so many but for me personally, I will miss the wonderful friendship that I had in Patrick and I will miss seeing his smiling face as he entered the credit union with a new story to tell every week.*

*To all his family and especially his loving wife Diane, My thoughts and prayers are with you and may God lift you up and give you the strength that you need to carry on.*

*Sincerely your friend,  
Alisha Reed*

*Jennifer, we never met, but I went to an AA meeting with your mom when I first met your dad. I never knew his brother Michael but have been married to his son for almost 30years. We have had very little connection to the family but want to extend our deepest condolences to you and pats grandchildren. I know how it feels to loose one parent, so I pray that you have peace during this difficult time. We would like to know what may have affected uncle pat to cause his death. So sorry for your loss 😞*
