“ *My prayers are with each one of you. Pat was such a likeable person. I am so glad I made it to lunch with him a few months ago. Just hold on to God's unchanging hands and He will bring you peace. Remember all of the good times and he will always be in your heart. He is another Angel watching over you all. Stay strong for each other.*

“ *Pat and I had many, many great trips to out of town football games as a member of the CHS Band. He was a great guy and a true friend.
My thoughts and prayers go to Margaret and his children.
God Bless,
