“ *John, Brenda and Aunt Peggy,*

We can't begin to tell you how sorry we were to hear about Patrick's passing. He was such a nice, intelligent and talented young man. We are trying to focus on what we all gained from knowing Patrick rather than on the profound loss that has occurred. Patrick will always have a place in our memories, as you now have a place in our hearts and thoughts. Our prayers are with you and please let us know if there is anything we can do to ease your sorrow during this time.

Love,

Bob and Cynthia

“ *John & Brenda,*

You and your family are in my thoughts and prayers. I worked for DCAA-FD for a short time and when I would talk to John at our meetings, he would always tell me something about Patrick. Keep these memories in your heart.

May God be with you during this time.

“ *We are so deeply saddened to lose such a great person from our son, Peter's, life. Patrick worked with Peter one on one many times at karate- most recently to help him prepare to test to his green belt. As an eight year old, it's very hard for Peter to understand death, but he surely understands the loss of a friend. Our hearts bleed for you- if there ever is a way to find peace, we pray that you find it. If you ever need anything we will be here for you.*

*God Bless You,
Mike, Mia, Peter and Charles*

“ Hi, John. Jeff Grimm here. We've hacked up the Piedmont course a few times over the years, usually involving Dean in the foursome somewhere. Dean has kept me posted about Patrick over the past few days. I just wanted to convey my most sincere sympathy to you and your family. Allow your faith, family, friends and memories of Patrick to help you through.

God bless.
