“ My deepest sympathies on the passing of Patsy. I worked with her when I began my federal service in 1978. She was wonderful and supportive and we became friends. She knew my wife Mary at the OCC as well. She was dedicated and a tireless worker. She will be missed. Mark & Mary Nishan & family

“ Pat was a caring and supportive person no matter their circumstance, race, color, or sexual orientation. She will be missed. Chris and I appreciated her companionship for our luncheon get-togethers and calls. I had the pleasure of working with her at OCC and in our local NARFE Chapter and found her very professional and an interesting individual. Our thoughts go out to the family and her caregivers.

“ Pat worked with both my wife, Jean, and I back in the 70s and 80s and she was a caring, committed individual to her work, family and friends. She is responsible for my career at the OCC as she was key to my first job at OCC. For that, I will be forever grateful. May she rest in peace.
