“ Dear Kathleen, Tim, Maggie, Joe, and Pete,

We are so sorry to hear about Kathleen's father's passing. Losing a parent is so difficult; the days ahead will be like a roller coaster ride. Don't be afraid to cry or to laugh at the good times, but continue keep each other close.

“ Brother Paul,

*I will never forget the evening I came
Along with Mom and Dad to National
Airport in the early 50s. You in your
Marine uniform heading to war in Korea. The song coming from the
Terrace Room (I think that was the name, it was the same
restaurant where you and Joan had your wedding reception) was
Sentimental Journey.
Every time I hear that song I think of you and shall continue to. You
now have completed "your journey home."*

*With love, your baby sister,
Theresa*

“ *I am blessed to have had the honor of working in the Washington DC temple with Paul for the past seven years. We worked hand in hand at the temple baptistry over those years and became close friends. What a great man who loved his family immensely and loved serving the Lord in His holy house. My heartfelt condolences to his family.*

With love,

“ Thinking about Paul, my most prominent thought is with Joan, whom I dearly admired and remember at this time. She loved her husband like nobody ever did, for her he was her only World and could do no wrong ever. I am sure she is with him now. It was her greatest wish for him to be with her. Blessed be both! Whenever he visited Monterey he tried to help, making himself useful doing small repairs even doing some construction. He visited for all major family occasions, staying in contact with the members with kind letters, phone calls and gifts. Kind greetings to Joan's and Paul's children and grandchildren. Paul worked hard to record the Family History, now it is in your hands to continue it into the future!
