“ Paul was one of the ward doctors when we were in Vietnam. He was a kind and gentle healer. I last saw him at Fort Knox, but have followed his career over the years in VA. Rest in Peace. Mary Ann Johnson

“ What a wonderful spirit. I'm so glad I had the opportunity to know him.
I'm sure he'll get to meet the Real Kermit.
A life well lived and loved by many.
I'll stay in touch
