“ *In memory of my Daddy*

Throughout the years of our lives, I can only imagine all the shit you went through raising us (like we did our own children). Let's see, at first it was joy and happiness. Then came patience, frustration, disappointment, pride, sadness, comfort, helplessness, guidance, judgment, praise and the list goes on and on. But, "the bottom line is", nothing really ever changed. Of all the emotions you've shown us; the one that mattered the most was and still is unconditional love. For that I am so grateful. Thanks Daddy for always being there, Hopefully you and Mama have given us the tools we need to carry on. But, it is a definite fact that you will forever be in our hearts!

"By the way" (thanks mom) cooking and cleaning will never be the same without you :-). I will miss you and "love you forever".

“ My love and heart goes out to you, Chicky, Vicky, Rosie, Butch and ALL the LOVELL family!!!! You guys lost your Daddy and I lost my Dearest friend. I will miss him soooooo much!! It will be hard to go into an Apple Bee's without him because that is where we would have lunch most of the time. I would have a BAHAMA MAMA and he would have a beer as we talked about different things. One thing I will never forget, and I will laugh whenever I go back in there, is he had to go to the men's room, so he did, I thought.....He came back to the table with that sweet grin on his face and I asked him what was up and he started laughing and said, "I went into the ladys room".....I said was there anyone in there and he said yes. I said I guess you figured out it was the lady's room then and he said, " Not till after I went to the bathroom"!!!! We laughed so hard!!!! So every time he had to go to the men's room I would remind him which side the door was on!!! I wish we could of had more time together but I will ALWAYS cherish the memories I have with him.....I LOVE YOU PAUL LOVELL AND MISS YOU TERRIBLY!!! RIP sweetie.

“ Daddy you were always there for us. We know you are still here in our hearts and we miss you terribly. I'm sure mama and JR are glad to be reunited with you. I am so blessed to have had such a wonderful supportive mother and father. In the best and worst of times you always made sure we understood family comes first. You've given us the tools to be strong and continue the legacy you started. We will make you proud and I promise to do what you asked. I just wasn't ready but then again I never would have been. You've always been my hero! I love to more. Chicky

“ *Chicky; Vicky; Rosie; and Butch: so sorry to hear of Paul's sudden passing. Having been his neighbor for 43 years, we want you all to know our best conversations have been about his family...oh how he loved all of you! Such a caring man who loved bragging of his grandchildren and great grandchildren. His face would just light up when he spoke about them!*
