“ Paul, you will always hold a piece of my heart forever. I loved being one of your teachers! You always had a smile and could make me laugh. Some of my favorite memories are dancing with you, playing with shaving cream, and just being silly. Rest well Paul, and know that you will always be loved. Mrs. Kubiak

“ Paul was a sweet little boy who stole my heart when he entered my classroom. He was always excited to learn and loved getting attention from staff. My favorite memory of Paul was when he earned a book from the Book Vending machine and was so excited. I will miss everything about him; he will always be part of my heart.

“ Paul was a very happy, sweet little boy, who always came into the classroom with a big smile on his face. I had the great opportunity to be Paul's first teacher at Cougar Elementary. My favorite memory of Paul was him always needing to have cheese curls for snack. He absolutely loved eating cheese curls and having the cheese dust everywhere on him. I will miss your smile the most, but I know you are giving it to many people in Heaven who needed your smile more than we did!

“ Paul was someone special. He enjoyed laughing, showing his favorite items to teachers, and of course, eating his favorite snacks. His smile was contagious!

Though I was in the classroom to provide ESOL services, Paul always made sure that he got a turn with me, which I happily allowed.

In the afternoon once his work was finished, Paul would try to engage with me into a game of "Cops and Robbers." Somehow he always got to be the police officer and I the robber, haha.

Thank you for sharing your son with us!

“ Oh Paul! Oh how I miss you. My buddy! I miss your smile, your singing, our cool hand shakes, and so much more! You brought so much attitude to school! And that's what made you different. There was no one else like YOU! I will always remember you, and keep you close to my heart! I'm sad you're gone, but you will NEVER be forgotten!

I love you Paul 🤍🥹🙏
