“ *Our sincere sympathy to the Wilcox family. Although it has been 30 years since I served with Paul in Giessen, I have a many good memories. Paul and Dave Mills introduced me to Volksmarching and helped me and my family become acclimated to Germany. He is an outstanding man, father, "papa", son, and brother. I know he will be missed. Our prayers go out to the family. God Bless.*

“ *My condolences on this horrible event. Colonel Wilcox was my mentor at DFAS and he was the one to convince me to go back and get my degree. At 52, I finally got my BS from Columbia. He was one of my teacher there. I always had the highest regard for him. May God be with you and help you in the future.*
