“ I remember Pauline well and send my sympathy to her family. She was a blunt woman who offended many but always spoke the truth. She created the City of Manassas bus service. may she rest in peace.

“ Renee and family, I see that the world has lost another gardener. We all know that one is nearest God's heart in a garden --except when you go to meet the Gardener. May you know the comfort of cherished memories.

*Peace*

“ Vera and I were saddened to hear of Pauline's passing. I have know Pauline for over 40 years. She was the mother of the entire Greater Manassas Baseball League and spent years as supervisor of our Manassas City Schools transportation department when I served on the City Council. She touched so many lives and will be remembered with many lovely memories.

“ I will certainly miss Sis Griffin. She was a wonderful saint of God! My family came into contact with her in the mid 70's and since then she has always been my 2nd mom. (I even lived with her for awhile). She always had a way with words and was one who would encourage you to do your best! I am very thankful that God allowed my mom to work for her and become friends with her and the family. We've shared many memories over the years. Renee, Sharon and Sandra...I will be praying for you all. I was the last one to visit her and I will cherish that memory even though it was sad.

*Most of all, I'm thankful Sis Griffin started coming to the Church of God with my mom in the early 80's and she made her way to the altar and got saved so she was ready to make her final journey! This was the best memory of all! Praying for you all...Carl Hitt*

“ I have so many! I loved her very much and I will miss her dearly. I visited her a couple times a week and we would go to lunch. When I had something bothering me we would always talk about it. God needed another Angel and he has one
