“ I remember when i bought an "memory" book in grade school, and you snuck into my room and wrote "By hook or crook, I'm the first one to write in your book. Love, Mom" I think you were the only Mom i ever saw sign those books! So, I wanted to be the first to write in your memory book. And because I was your #1 daughter! (I see you smiling!!) Loved you then, love you still, always have, always will. Miss you Mom, always.

“ So many years, so many memories! I remember a record player Uncle Bob gave you. It was in your bedroom in Uniontown, but you were in nursing school. I'd sneak in there and play it all the time! I remember one song, "The Little White Cloud that Cried." Loved that song, don't know why! I remember spending so much time with you in Uniontown, and summers with you in Maryland and Virigina. As you once said to me, "We're bonded. We bonded a long time ago." That bond never broke and can never be broken! Love you!

She was such a tremendous person. Always loving,open heardet. Since the first time she came to me, as a Client,we had a special relationship. She always made me laugh and feel like I am homme. Everytime, when I saw her Name on my Book, I was getting happy to see her almost couldn't wait, because I always enjoyed being with her. She had so much life experiance, that she helped me a lot of times with her wise suggestions. I will miss her deeply.... -

“ One of my favorite memories of my mother-in-law was sitting at her kitchen table with Joyce and Paula while Bob prepared dinner. I asked her to tell me how she met her husband and it was like a romance novel you couldn't put down! She was such a fighter (the Irish part to be sure :-)
Although my time with her was short, I treasured every moment!

When I think of her life 2 Timothy 4:7-8 comes to mind.

I have fought a good fight, I have finished my course, I have kept the faith:

May God Bless Pauline Kozosky and her beloved family.

Love,

Julie
