“ Pauline the world is a little darker without you -- I will always remember how you and Daddy used to get together at family events and joke and laugh with each other like two little kids. I hope you find him in heaven and have a great time. I will miss you and your sweet kind presence.

“ My dearest Pauline, you will never be forgotten. So many memories, too many to count. You did your time here on earth and you did it well. So now rest in peace and give Joyce my love.
