“ *To Jessica, Gene, and the rest of the family,  
I was so sorry to hear of Aunt Polly's passing. I remember her with  
much love - she and mother had so many of the same facial  
expressions, that she always made me think of Mother, too. Also,  
sorry that we won't be able to come for her services, but know that  
we are with you in thought and prayer.  
Love, Linda and family*
