“ I know Pearl through the Eagles. I've only been a member for three years but I can honestly say that Pearl was the type of member to aspire to become. She ALWAYS had a kind word to say and made people feel like they had been life long members and tha they were important. I saw her the evening of the last auxilliary meeting and I'm so happy to have had the chance to hug her. I will miss her terribly and know that her family will too. I'm sorry I can't make the service because of my job and the world situation, but my sincerest condolences to the family. I end on the note that the Eagles may as well not have another dance if Pearl can't be there leading us! She was just so fabulous!

“ My memories of Pearl will always be of her zest for life and her love of people. She was a friend to everyone she met and had enough love for all her friends. Her personality was one that made others smile because she was so full of love for life. We will remember her always and her love remains here with us. With us I mean all the people at Collinsville who loved her so well as did everyone whose life she touched. We share in your loss because of our friendship and love for her. May it somehow comfort you to know she was loved and our prayers are with you at this time.
