“Peggy was, without a doubt, the sweetest, most caring and unselfish person I have ever know. Her family was the most important thing in her life and she did anything and everything for them that they wanted and/or needed. The world is a better place because she was in it. What a loss for all of us who knew and loved her. I send my deepest sympathy to all of the family at this difficult time.

“When we first met, Peggy was All My Children's biggest fan and I was the second. We used to gossip and giggle about the characters in that story like they were real. From day 1 she made me feel like one of the family as I know she did so many other people. Her heart was big enough for us all. Peggy was a remarkable woman that changed this world for the better in so many ways. The number of peoples lives she touched and improved will never really be known but I know it is alot. I will be with you in my heart tomorrow as you celebrate the life of this angel. How blessed were we on earth that God shared her with us for 75 years? Love and Hugs to you all.

“ Aunt Peggy was the only Aunt I really had contact with growing up, thankful she lived so close by. I will treasure my younger years memories of her. She was very lively and funny, a lot of spunk in such a little body. My prayers and sent to all her family. May God's peace surround you all and carry you through these difficult days and months to come.

*Much love,

“ Peggy Maitland was always so happy. I remember she would just laugh and laugh. I enjoyed every moment I was blessed to spend with her and her family. I will miss her dearly. Remember the memories and laughter and this will make it easier to continue on.
