“ Peggy Sue (as my sis called her) is my brother in laws mother so I have had the privilege of meeting her and knowing her for 24 years! It makes me terribly sad to know that I won't be playing anymore card games or board games with her in this lifetime! She was one special lady and being a Yankee her accent is one of the most endearing that I will ever hear and miss...Peggy Sproles hope you're out of pain and happy up there...help this world out from above....
