“ Miss Peggy welcomed me into her home over 16 years ago as a resource for her new baby granddaughter and her daughter, Destiny. In doing so I gained a wonderful friend. One thing remember most is that she had the warmest smile and laugh, it would light the room especially if she was looking at one of her children or grandbabies. It was so easy to see the love she had for them even if she wasn't happy with them in the moment over a chore not done or a sassy comment. Thank you, Miss Peggy for allowing me in your home all those years ago and letting me be part of your lives. Destiny, James, August, Deshae, Lakira, Roy, Elias, and the rest of the family I may not have met in person I am so very sorry for your loss. Sending you all my love.
