“ My heart goes out to Chris, Patty and the family. Penny will be so missed. She was my friend and stylist for 35 years, since spiral perms were the rage! I will miss her infectious laugh and sense of humor as well as the smile she always had on her face. I valued her honesty and advice and I will miss our talks. Gary always said he could tell I had a good visit with Penny because my hair was shorter than usual...the more we talked, the shorter my hair got! I always left feeling better than when I arrived because of her positive outlook on life and her ability to find the silver lining in situations. When I told her that my daughter was going to name her new baby girl Penny, she said we were gonna have to call the baby Penny Jr. because she was here first!  
Penny, you will always be in my heart. Rest in peace sweet lady.

“ *My Deepest Sympathies to the loving family and friends of this beautiful, bright, and oh-so-clever young lady. I worked twice with Penny (Mad Hatters & Outlooks For Hair), and we hit it off so much better the second time around. She told me I was a 'crybaby little pansy' (or some such thing) earlier on, but she 'liked me just fine now'. Ha! Her infectious laugh and the way she could weave a story were magical. I will remember her with light and love.*
