“ Dear Sharon and family I am so sorry for your loss. He was a terrific person, friend, and carpool buddy . I worked at WAD and he was the nicest and fairest person to work for. Perry had a great sense of humor and it was a joy to work for him. He always had a smile and encouraging word.

“ My grandfather was such a generous, kind, straight shooting guy. I will never forget how he'd rub my growing pains when I was little and how he helped me through life until I finally reached maturity. I will miss him dearly and always be thankful for what he did for myself and so many others. Love you Papou, forever and always.
