MR

“ From the moment I met you Uncle Pete you became my uncle regardless I was blood related or not. You took the shit I gave you and dished it right back with a wrath. But I enjoyed every second of it. Playing Uno and Ticket to ride will never be the same but I know I will hear crap from you each time I play. You made some of the best martinis. So each I play Uno or Ticket to Ride from now on I have to make myself dry martinis with green olives and drink it with a big smile on my face.

I will forever miss you and love you just like I miss your dad, the Old Geezer. Miss that guy.

I will never forget how you accepted me as part of the family from day one and treated me just like a family member. I love you and miss you already. May you rest in peace. You will never be forgotten.

Love, Marlene
