“ Dear Sherry - I'm so sorry for your loss and that of your family. Pete was a great mentor from whom I learned a lot from at BAE Systems. Had a lot of fun too. If I can make it up for the service or visitation, I will. If not, he and you and your family will be in my heart. He touched many lives. Sarah

“ Sherry and family. Please accept our deepest sympathies and prayers over the loss of Pete. He was a great friend and I will always have very fond memories of the many times we spent together. Especially, the golf outings at the Herndon Golf Course where we spent lot more time then necessary at the 19th hole.

“ I was saddened when I heard of Pete's departing. He was my first manager out of the Air Force in the 80's working on the ORB program. We had some good times together driving Martin crazy. He was a good person and will be missed. My thoughts and prayers go out to the Romyn family. Bill Bouffard
