“ *A life is like a song we write in our own tone and key,*

Each life we touch reflects a note that forms the melody.

We choose the theme and chorus of the song that bears our name,

And each will have a special sound, no two can be the same.

So, when someone we love departs, in memory we find.

Their song plays on within the hearts of those they leave behind.

The harmonica and the accordion are gently playing in my heart for all those times you gave us pure joy! I love you my beautiful Aunt Faye. Perhaps it appeared to all of us that your memories were taken from you, but I know with every fiber of my being they never left your heart.

*Niece,
Robin*

“ I knew Faye for over 55 years. When I think back there is always one weekend that comes to mind. Faye and Hank with all the kids were in Altoona. They made homemade Ravioli for everyone. It is such a large family that we had to eat in shifts. It was a wonderful day for everyone. So much love and happiness in one house. She will be sadly missed by all of us. Hugs and love Aunt Genny and Uncle Jim
