“ George, Our hearts go out to you and your family and we are so sorry for your loss. Phyllis was obviously a very, very "special child of God" who served Him well. We feel blessed to have known her during our Friday morning bowling times. She was always so quiet and kind. We had no idea how ill she had been. It's comforting to know that she now has a new body in Heaven without pain. She was a very strong person. So glad to see you all have such a beautiful, loving family to help each other get through this time. May God truly bless all of you with comfort, peace, strength and love.
