“ My heart is broken. I remember when mom and I lived with Aunt Edith. Phyllis and I shared the bedroom upstairs. We would play horses using the square tiles in the floor as our corrals. We played horses for hours even though it was hot as blazes and we had no air-conditioning.

Also, she always got stuck with me tagging along on dates when she was a teenager but we were so close that I never told Aunt Edith anything! We were so close at the time that she didn't mind being stuck with me. Phyllis was a good person with a big heart.

Since I was a little girl I have told my mother, Betty, that Phyllis should have been her daughter because she was so devoted to family, loved crafts, was artistic and called my mom ALL the time.

Crystal - my heart is with you because I can't imagine my daughter Tiffany (the one that is your age) having to go through what you have had to. Stay strong because your mother will always be in your heart and your character.

“ Mike,
Our prayers are with you and your family as you go through these days and the loss of your sister. She is simply changing her address and it is a far better one than we have on earth.
We are sorry that we will not be able to attend but know that we are thinking of you and God is good all the time.
