“ *What a most wonderful lady she was. Some of my fondest memories are from the times I spent with the family in my youth. Fifty years later it seems like yesterday. It was that much fun. She welcomed everyone. She made you feel like you were one of the family. It's something you never forget!*

I met Mrs. Martin briefly at the lake many years ago. She was very kind and gracious. I remember making biscuits for breakfast one morning. We put on quite a spread for band members and visitors that weekend. Several of her sons extended family and friends. My condolences to the Martin family.
