“ *Phyllis was a wonderful person to work with. We worked together for 6 or 7 years at Assured Protection Insurance Agency. I was a brand new young agent and without her help I would likely have been floundering a bit. Phyllis gave me good advice as to what type of insurance business our companies wanted to write and when I brought in a new prospective account, she worked very hard to get it placed at a competitive price. We had many good laughs together also. She loved a good joke and could tell one too. I have many fond memories of her and wish I could get to the memorial service on Wednesday. I will say a prayer of thanks for having had the chance to know her.*

“ *In the short time my family knew Phyllis, we came to find she was a wonderful soul. She welcomed us to the neighborhood with warm chocolate chip cookies and a beautiful smile. We shared our love for the Lord and how we both came to be in Virginia.*

*Our condolences to your family and we thank the Lord for the time we were able to enjoy your light. God bless,
