“ *Phyllis and Bill took me in 25 years ago when I needed a place to stay. Bill is my cousin and Phyllis took me into their home graciously and helped me find my first apartment. Phyllis became a mom to me and was always a voice of reason for me. She always was there for me and always had a place for me when the weather was bad. Phyllis has such a heart of gold and such a genuine love. I will miss our laughs, our talks, our hugs and most of all our mom/daughter bond she always made sure I knew was so special to her. I love you Phyllis and a part of my heart has left with you. I will see you again one day. Love to Bill and family.*

“Peaches,” as she was called, was about ten years older than I and 20 years younger than my mom. Her circle overlapped my social circle in a unique way. We were all part of a fabulous, Gardner Webb alumni and extended family annual beach group who traveled from many states to vacation together. Peaches was in charge of all of us for a week while we rented a 12 bedroom ocean front house in Holden Beach and alternated with a similar home in Ocean Isle for some 12 years or so --end of September or first of October. The group always celebrated Peaches birthday that week and she got such a kick out of the gag-gifting night. She was such a dear. We will remember her keeping the group informed by writing on her white board with next day's itinerary, her sausage gravy on Friday morning, and that dear sweet, warm-hearted smile. She was up at the crack of dawn, and she and Bill made coffee for the next morning before they went to bed each night. The group has missed Bill and Peaches the last few years, but have remembered them with love. We wished them safe travels on their cruises each year, and thought about all the fishing trips Peaches encouraged Bill to enjoy. We love you Peaches. God Bless your sweet soul. Bill adored you. We did too!

“ My husband & I had the honor of living next door to Phyllis & Bill for 15 years. She was more than a neighbor. She was my friend. I will cherish her many acts of kindness as well as our trips to the eastern shore.
Bill you showed us the epitome of what marital vows entail. For better or for worse you stuck by Phyllis till the end. For almost 2 years, you were there all day, every day.
May you have the peace of God moving forward knowing what a fantastic husband you were & the legacy you have left in our hearts, with God's view of marriage ❤️
We love you,
Cindy & Mike Langhorne
