“ *Phyllis was a close friend of mine since 1973. She always had a smile and laugh to share and had great advice to give. I was with her when she met the love of her life, Mike Squier, and was with her to celebrate her last 86th birthday with her family and several friends at Monzas. She was able to go to the beach and celebrate with her family, that was her wish for her birthday. She loved to dance. My love to the family and friends with warm wishes and a smile, from Phyllis and me. Gwen Talbot, Manassas, VA*
