

## Polly Sue Saffouri

August 11, 2015

Polly Sue Saffouri, age 66, unexpectedly departed this life and went to be with the Lord on August 11, 2015.

She was purest of heart, a whole-hearted Christian with a kindness like no other. Talented at a great many crafts, she also enjoyed floral arranging, gardening, cooking and baking though what she most enjoyed was sharing in the very simplest of things in life with those who loved her. Those who with whom she crossed paths undoubtedly know they were lucky to have known her. Words do not express how so deeply she will be missed.

From a small town in West Virginia, she was born in the summer of 1949 to Ellis and Lena Fox. She is preceded in death by her father, her dear mother and her loving husband, Nabil Saffouri. She leaves behind her beloved daughter, Helena (and husband, James); her sister, Ina Mae (and husband, Ray) of Wyoming; her brother, Jimmy (and wife, Cathy) of West Virginia; her brother, Edward of West Virginia; and many cousins, nieces and nephews that she loved all so much.

The family will receive friends on Sunday, August 16, 2015 from 4-7pm at Pierce Funeral Home, 9609 Center St., Manassas, VA where services will be held on Monday, August 17, 2015 at 11:00am with Pastor Greg Corcoran officiating. Procession is to follow to Stonewall Memorial Gardens for prayer and internment. Directly afterward, family and friends are welcome to remember and celebrate the life, love and light of Polly and her generous spirit at Battlefield Baptist Church, 4361 Lee Hwy., Warrenton, VA.

Flowers and letters of condolence are graciously welcomed. Should some friends or family prefer to make a charitable contribution, the immediate family has asked to consider the Evergreen Volunteer Fire & Rescue, 3510 James Madison Hwy., Haymarket, VA 20169, <http://www.evergreenvolunteerfireandrescue.org/>

“ A year later it is so hard for me to believe! I posted this on Facebook one year ago today and I still feel the same: Rest in peace my dear cousin! I am going to miss your visits, our long phone conversations, our laughs together, and your hugs! We never ended a phone conversation or left each other that we didn't tell each other that we loved the other! One last time, I love you Polly, you will be missed more than you could have ever known!

“ From your last breath one year ago, I was born into a world unlike I'd known before. Your special ways of doing and saying things big and small, caring and supporting with all your heart and without an ounce of hesitation, your love that I was blessed to have had from the moment I came into this world... I'm proud to be your daughter, and I feel privileged to have lived my life with a special, loving lady like you as my mom. Certainty is the unwavering love between this momma & this daughter, and it is forever.

“ I still find myself in such disbelief. I check my phone, I check my email, I check this page and there you are... your sweet loving smile and the words that what happened to you happened to me. I love you momma. I'd give anything to hug you and tell you that again. I love you and I miss you, so much...

“ Polly and I were friends for many years. We went to grade school, and high school together. We graduated together in 1967. In June of 1968 she was a bridesmaid in my wedding. We did not see each other very much over the next 47 years, but we kept in touch with phone calls and letters. I didn't know of her passing until I received a card today Jan 11, 2016 Informing me of her passing because Helena had gotten my annual Christmas card for her. I'm sadden at the lose but was blessed to call her my Dear Long Time friend.

“ my days before and after, continue to be filled with thinking of you, missing you and loving you. it's only thoughts of you & dad together again, watching over me, that give me comfort. I was so lucky & so blessed to be the one to have you two as my parents for as long as I did. I love you both so much.

“ Polly and I started school together and graduated high school together. She was the dearest friend - always quietly gentle and kind with such a loving spirit. I remember her two long braids that she always wore in our early school years. They came to the waist of her tiny frame. She looked like a china doll. In junior high we included Carol Kincaid (now Bragg) into our "Best Friend" status. No one could have had better friends than those two. I remember getting her letter when she met Bill - the love of her life; and later another letter telling me of the joyous anticipation of Helena's birth...and then a photo of the beautiful Helena in her crib...all such happy events for her. Sadly, as adults, our life paths were able to cross and actually see each other only about three times but we were blessed with being able to meet each others precious daughters on one of those visits. The love I had for Polly as my childhood friend has continued our entire lives and it will remain in my heart for as long as I live. My thoughts and prayers are with Helena today and always!

“ Polly has been a friend of mine since high school days in WV and I will certainly miss her and our phone conversations. She was a gentle, kind soul with great faith in God and was an inspiration to others. Her daughter, Helena was the light of her life. Take comfort, Helena, that one day there will be a joyous family reunion in heaven!

I will always remember my friend with love. Sherry Jacobs

“ I met Polly in the JOY class at church. Although, she had many health issues over the years it was always Helena, her daughter, whom she always ask us to pray for. Through Polly, God taught me how to give of my time helping others without expecting anything in return. It comforts me to know she is in heaven with no pain. See you again one sweet day! Love you, my friend!
