“ I am totally blown away to find out about Rachel!! i JUST FOUND OUT TODAY! She was a colleague and friend. I did my first meeting at FCE with her and she was so encouraging with me. Always letting me know that I was doing great. I could always call her with a question that she was glad to answer and that laugh would just brighten my day. Going to the FCE trips in San Antonio, she was always fun and made the trip worthwhile. My heart is so heavy and my mind in disbelief. Rest wel in Heaven Rachel and I will see you again!

Love,
Bernard

“ Rachel was the sweetest person in the world. Her infectious laugh would put anyone in a good mood no matter how bad their day was. She never forgot a face or name. She always put others before herself, especially in a conversation. She will be deeply missed. Love, Leah DePriest xxoo

“ I just heard today of Rachel's passing and I am shocked and saddened. Rachel was a friend and a colleague. She was more than our benefits rep, she was the absolute life force of FCE. I met her for the first time in San Antonio and we became fast friends as she never met a stranger and I intrigued her as I was such an introvert. She refused to let me keep to myself. I will never see a cosmo again without hearing her laughter and seeing her smile. She loved her boys so much and was such a proud mama. She couldn't wait to get her Marine home and pamper him. Her passing will leave a huge hole in my heart and a huge hole in this earth as there aren't many people who could light up a room like she could or find the humor in even the worst situations. I am so sorry for your loss and I hope both of her boys (and fur baby) know how much she loved them and worshipped them!!

“ To Rachel's Family,

I am saddened by Rachel's passing. She was taken too soon.

I had the pleasure of working with Rachel for several years. Rachel provided outstanding professional service to our employees. Rachel was our FCE account executive at Naval Station Great Lakes. She had a warm and welcoming personality even when dealing with difficult situations. We would joke with Rachel about how her calm and relaxing southern voice worked wonders when explaining boring employee benefit topics. Her southern voice served as a magnet in engaging our employees. We always knew we were in good hands when working with Rachel.

Rachel was more than just someone we worked with. She became a friend. We knew she cared deeply for her family. Her laugh was contagious. We always looked forward to connecting with Rachel.

Rachel will be missed in so many ways. Remember, Rachel will always be a part who you are.

My deepest sympathy on your loss.
