“ *God Bless you Sandy,*

You're such a good daughter to your dad. You always had time and took care to visit him after work and later in the nursing home. I know he loves you very much. I see he had a birthday coming up, and I am so sorry and I know you will miss him. Your friend, Ellen

“ Denny-

I have vivid memories of your dad visiting my parents years ago in Manassas. The best memory though has to be the time when our dads rode to Ocean City to retrieve you and Billy. I know you remember that one!

Please know my thoughts are with you and your family.
