“ I have no word to express how important you will always be for me and the pain left to know you are gone. We share a great connection and always kept in touch. Thank for being such a nice, caring and sweet person. I know you had p so many plans and dreams but God had plans of his own for you. My little angel. Gordito bello de ojitos azules. Descansa el paz

“ One of the last moments I had with Randy was when we went to the Styx and Foreigner concert back on the 20th. We arrived at 8 it started at 7pm. Obviously because we were late like usual. It was nice and quiet in the parking lot but you could still hear the Styx from the handicap parking lot. So we tail gated there. We sat and talked and chilled. It was nice.
