“ I grew up with Boo Boo, he was my cousin. We had many good times together. We would play ball at Bootsies house or walk the railroad tracks near his house. Before church we would often have breakfast at Nannies. Sometimes we would go fishing at one of Bootsies farm ponds.

We had many good times at the Haymarket fireman's carnival, riding the hay ride with the girls, jumping off halfway and walking back holding hands. We used to go to Ordoffs restaurant and get a Pepsi and french fries with brow gravy. Sometimes we would walk to Dick's station, from Bootsies, get peanuts and put them in a coke.

Ray was a great baseball player and his good looks made him popular with the ladies. He also was a very good rock N roll drummer.

He will be missed, my heart goes out to his family.

I will miss him but I will never forget the good times we had.
