“ *I am at a loss for words. Nothing can bring you back to us - we miss and love you!*

To Becky's mom, sister and Brian, I know we never met, but my prayers are with you.

I have created 'Buttons for Becky' and I have one for each of you this evening, if you wish. I have been wearing mine since Saturday as a way to not forget and not let anyone else forget Becky.

Please know that she is watching over all of us now.

*Peace be with you,
Denise Gauthier*

“ Words seem so inadequate at a time like this. I was employed by HHS from April, 2003 until March, 2007. As a RN out of the Nashville, TN HHS office, I worked with the VA clients. Beckie and I talked frequently and shared a lot of thoughts. Based on what I have heard her say, her dad has welcomed her into his arms. I am so very, very sorry for your loss of a truly wonderful person.

“ Melanie & I were great friends with Becky in Middle School and growing up through high school--we lost touch over the years and I was completely heart broken and saddened to hear of her death. She was a beautiful person and will truly be missed.

“ Becky was a very special person. I had the pleasure of working with her at Bogeys. She always had a smile on her face, even at 2am when we were closing. She always took care of everyone. I remember when she started dating Brian, she was like a teenager again. So happy!
My prayers are with you Becky and your family
