“ My favorite memories of Becky are when Cameron was a little younger and I was able to carry him and put him in her arms while she was in her rocking chair. I know that she loved Kaydin and Angela so much too and always wanted to know how their school days went, but I could see how much she loved Cam as she rocked him and sang to him, "one, two, three, four, five, once I caught a fish alive..." and other songs. Both of their faces would light up. She was always kind to me and asking how I am doing and my family too. I appreciated that so much. I'm so sorry that your whole family has a hole in your hearts now and I wish you blessings of peace and comfort. God bless- With love from Carrie

“ *Becky, also know to me as Corey's mom was one of the kindest people I met when I lived in VA with my older sister. When i was 15-18 Becky was there for me when I needed to vent over life and for a bref moment she was like a second mother to me. I haven't seen or spoken to her in decades but she's left me with memories I'll never forget.*

She's an angel who has finally received her wings. RIP

With love, Annuschka
