“ He was a great man to all who knew him. He made me feel like family. He had a big heart and a warm soul. Wished I had more time with him and that my kids would have gotten to know him the way I did. I will be visiting him to say my goodbyes because I wasn't able to then. Family is Family whether married into or born into...we should connect to keep the dreams of our loved ones alive. RIP Papaw I love you and will forever miss you <3.
