“ Uncle Richard, it was so nice to get to see you over the holiday, as I was too small to remember seeing you before that. You'll be forever in my memories.

And to my extended family, we will forever be just that: family. You will always be in my thoughts and if there's anything you might need in the days to come, please, please, please, let me know. Together, we are strong, together, we will never forget.

We are not truly gone until we are forgotten.

Take care - of yourselves, and of each other.

*Love forever,

“ *I will always treasure my memories of barbecues and visits to Aunt Mable and Uncle Richard's as a child. my children remember visiting as young ones. I regret not making the time to visit more often as an adult. I did get to visit last week and found things like I remembered. Two people who love each other so deeply and always will. I know he' ll be watching over his family with love and guidance. you'll be forever missed. I love you all, Debbie*
