

Richard Green

December 6, 1959 - January 26, 2013

Richard (Jack) Green, 53, passed away suddenly on January 26, 2013. He is survived by his wife of 27 years, Lee Anne and his two daughters, Kristen and Katie. A lover of people and the outdoors, Jack enjoyed riding his Harley, camping with friends, traveling and playing with his "grand-dog" Graham. Whether assisting someone in need or helping on the family farm, Jack was always there to lend a hand. His giving nature continues on through his gift of organ donation. The family will receive friends from 5:00-8:00 PM Wednesday, January 30, 2013 at Pierce Funeral Home, 9609 Center Street, Manassas, VA. A celebration of life will be held at 11:00 AM Thursday at the Manassas Baptist Church, 8730 Sudley Rd, Manassas, VA with Dr. William Higgins officiating. Burial will follow at Stonewall Memory Gardens. In lieu of flowers donations may be made to Make A Wish Foundation

“ *Lee Anne, Kristen and Katie:*

We were in total shock when we heard of Jack's passing. When we came to MBC Jack's friendliness and openness was instrumental in convincing us that this was our new church home. Over the years we found out how close his walk with Jesus was and his leadership strengthened his testimony. We know how proud Jack was of his daughters because he would let us know. His love for his family and church was beyond the surface and an inspiration to many. Our thoughts and prayers are with you all during this difficult time.

“ LeeAnne, Kristen and Katie, There are so many memories I have of Jack... Especially when we were growing up.. Jack, Freddy, Keith and me. The 4 musketeers! After Freddy passed we realized we needed to spend time together.. Us 3.. And not too long ago despite our conflicting schedules we made it happen and I am so thankful we did. I got to know my 2 brothers in an entirely different way..and we laughed and really really talked and I remember how Jacks eyes lit up and his voice changed and he all but beamed with love and pride as he told us what Kristen and Katie were doing in their lives.. And how You were in Ghana (I believe)volunteering to help the children.and he had to go so he wouldnt miss your phone call to him??. And again he was so in love and he was so happy. He loved deeply and was loved deeply in return. I cried tears of joy while thinking how fortunate I was to have such awesome brothers. And that is the memory I will forever carry in my heart. Jack was a loving husband,devoted father,a good man who lived his life loving,caring,and giving back to others. He was honest and lived with integrity and a smile. He loved God and it showed by how he lived his life. I will love and miss Jack forever, but I thank God for letting us be brother and sister. I am a better person because he was in my life. LeeAnne he adored you and the girls. You all were his world... you made him happy and then some.. I will keep you in my thoughts and prayers and remember I am only a phone call away. I love you all so much. Vickie

“ I am extremely sorry for your sudden loss, for everyones loss of such a great guy. I am very blessed to have had the oppurtunity to know Jack and feel his caring nature. He always knew how to get a laugh and keep the conversation going. I remember the first car ride to go camping, Jack managed to keep a conversation going through every possible topic without taking a single breath and we had just met! What a guy and he will be greatly missed.

“ Lee Anne, I never knew you and Jack well, having only seen and met you once, but it was at your home when your older daughter graduated, and you both opened your home , with love and laughter to everyone, it's special when we meet someone only once, and they make an everlasting impression as Jack did. You both showed true love for one another and your two daughters and people attending your home, lots of them being church members, I remember it very vividly, and was so sad to hear of Jack's passing, God has him in his arms now, and you will forever be blessed for having had him the short time here on earth as a loving father and fantastic husband..My thoughts are with you and your family... love Sharon

“ Dear Lee Anne, Kristen, Katie, Mr. and Mrs. Monroe,

I still can't believe I have lost my friend. To me, Jack represented what a truly good life is all about. I will always cherish the days of "working" at the farm when not much time would pass before Jack would say something funny or do something goofy, having us all laughing and Mr. Monroe shaking his head and smiling. I also remember the time we were all taking a hay ride and for some reason Jack decided to jump off the wagon and run along beside it. Mrs. Monroe leaned over to me and said in her ever loving way "we think Jack will be a fine young man when he grows up one day". Thank the Lord for all of us he never did, but a fine man he certainly was.

I will miss you my friend!

“ Dear LeeAnne,

We are so sorry to hear about Jack's passing, we are still shocked. We have lost touch over the years, but we want you to know that we have thought of you both often. It's amazing how fast time passes, and then you realize what you have missed and what is important. Jack was truly a wonderful person and has certainly left many wonderful and funny memories with us...."Pudd'in"....that was his favorite nickname for Rick (probably others, too) as an apprentice. I wasn't exempt from Jack's pokes of fun either, he always made me laugh when I would come to the job site for a visit. Although we missed all these years with you, Jack and the girls, we just know that you were a strong and loving family because that was you and Jack from the beginning, and this is the strength that will help you through this difficult time. Ironically, Rick's almost daily motto is the same as Jack's..."God never promised anyone tomorrow". But he did promise an everlasting life in Heaven and Jack is surrounded by love there just as he is here on earth. We would really like to visit you soon. God Bless you LeeAnne, Kristen and Katie
